Dan,
We just completed an audit and discovered we had some spots running for this client past the election on Tuesday August 2. We had an order entry error that defaulted to an end date of 8/7/16. I have attached a report showing all spots in all zones on a report and then subsequent reports breaking it out by system that aired 8/3-8/7/16.

Zones affected:

2488 – DTV
3316 – MANHATTAN/TOPEKA DMA
4651 – HUTCHINSON/WICHITA DMA
3651 – SALINA/WICHITA DMA
2764 – DODGE CITY/WICHITA DMA

Please advise on next steps you need from me for your client.

Thanks
Bonnie Loe

Bonnie,

Proof of payment attached. Dan or Kevin will get you the acknowledgement form, if they have not done so already.
